Amethyst Skin Care

The stunning violet Amethyst, appreciated since ancient times for its calming, beautifying and energizing properties, has finally been captured and distilled within this luxurious skin care collection. The source of timeless and captivating beauty.

Powerful Energy

Rejuvenating and regenerating, this stress-defying, anti-aging treatment protects facial skin from environmental and emotional damage. An exotic composition of natural minerals, powerful antioxidants, organic oils and exotic extracts from the Amazonian rainforest infuse long-lasting moisture, relaxing agents and beautifying energy. Skin of all types appears softer, smoother, firmer and youthfully radiant.

A Glimpse Ahead

We are excited to announce our readiness to expand Amethyst availability throughout the United States and Europe and Asia. There are still a few regions available for exclusive distribution rights. Quality distributors with established networks and proven track record are welcome to [contact us](#) for more information.

In the Spotlight

The product feature this month is our Energetic Day Cream. An innovative blend of natural minerals, powerful antioxidants, luxurious oils and exotic extracts from the Amazonian rainforest provides comprehensive protection from skin damage caused by emotional and environmental stresses throughout the day.

About the Amethyst

The Amethyst is widely appreciated for its energizing, soothing and beautifying properties. However legends claim the Amethyst also holds special powers including dreams, healing, peace, love, spiritual elation, courage, protection against thieves, and happiness. Here at Roxo we're satisfied with its exceptional beauty and compelling energy!
